School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

School Vision Statement:

Orangeview will provide a safe, modern, and equitable learning environment built on positive relationships where staff, students, parents, and community collaborate to design innovative instruction that prepares students to be productive community members who are College and Career Ready.

Highlights:

Orangeview Junior High School has developed programs to meet the diverse needs of students through course offerings. For example, we provide a full selection of honors courses for advanced students, literacy support and interventions for struggling students, and we fully integrate many of our special education students into collaboratively taught Math and English classes.

In addition to the specialized courses, our counseling department offers a comprehensive list of support services to assist students through the academic and social challenges of junior high school. We provide one-on-one meetings, group sessions for anger management, organizational skills, grief, and we partner with outside agencies to connect students and families with additional support.

At Orangeview Junior High School we are committed to:

- A coordinated instructional program in which teachers collaborate to ensure all students learn
- A systematic response to students' academic and social needs

So that all students can:

1. Collaborate
2. Communicate
3. Be Creative
4. Think Critically
5. Build Character and Compassion

We strive to equip students with 21st-century skills that are needed for college, career, and life.

General Information:

Orangeview Junior High School offers the following courses, which meet University of California A-G requirements: Spanish 1, Spanish Speakers 1, Spanish Speakers 2, and Japanese 1 (223 students). We also offer Advancement Via Individual Determination (AVID), in which 183 students are enrolled for the 2020-2021 year. Orangeview Junior High School offers honors classes in English language arts (ELA), mathematics, history, and science. Four hundred and eighty-one students are enrolled in Visual and Performing Arts (VAPA) classes, and 200-to-250 students participated in intramural sports each quarter before March school dismissal in 2020. Orangeview Junior High School has Career and Technical Education (CTE) course offerings that lead to pathways at the high school level, such as Wood Manufacturing, Exploring Technology, Business Technology, Robotics, Digital Animation, TV Studio Production, Career Exploration and E-Sports, in which 510 students are enrolled. Orangeview Junior High School offers the following support programs to help close the achievement gap: ELA and English Language Development (ELD/ELM) support classes, inclusion classes for students in the Resource program, Multi-Tiered Systems of Support (MTSS) framework of interventions through the Educational Monitoring Team (EMT) process. Parent Partnership Nights, a parent center, after-school tutoring, individual and group counseling, Positive Behavioral Intervention and Supports (PBIS), and a variety of clubs. Orangeview Junior High School has partnered with community programs such as Anaheim Achieves, Tiger Woods Learning Center, West Anaheim Youth Center, Project SAY, and Casa Youth Shelter to provide services for our students. Orangeview Junior High School has an extensive rewards system for all students, including Student of the Month, Panther Pride Awards, PRIDE Bucks, Honor Roll and High Honor Roll, Growth Awards, Perfect Attendance, Panther success stickers/badges, and Student of the Year awards.

Demographic Information:

Orangeview Junior High School, located in Anaheim, California, serves 869 students, in which 85% participate in the free and reduced meal program, and 35% are English Learners. The demographic profile also indicates the following regarding student subgroups: 75.55% Hispanic, 7.6% Asian, 6.31% White, 4.02% Filipino, 3.21% African American, and .46% Pacific Islander/ Native American, and 2.07% two or more races.

| Vacant Teacher Positions | 0 | 0 | 0 |

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

School Facility Conditions and Planned Improvements

Orangeview Junior High School opened in 1958. The 20.6 acre site included 42 regular classrooms. There are 14 labs, which are designed for specific programs (i.e. computer labs, science lab, choral music room, etc.). The site also includes a library, a cafeteria, a gym, parent center, and a variety of sports fields. Large portions of the buildings on site were modernized in 1994. The exterior of all buildings were refurbished and painted with a new color scheme during the summer of 2007.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection was completed on October 26, 2020.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: October 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

| Mathematics (grades 3-8 and 11) | 20 | N/A | 28 | N/A | 39 | N/A |

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

There are many opportunities for parents to become involved in school activities. Our Parent Teacher Student Association (PTSA) was established so that parents may partner with the school to sponsor activities. Parents may also partner with the school by participating in the School Site Council (SSC), the English Learner Advisory Committee (ELAC) and the Superintendent's Parent Advisory Council. Many of our programs, such as band, choir, athletics, AVID, Puente, and ASB encourage parents to volunteer inside and outside of the classroom. The most effective method for parents to be involved in the academic development of their students is to regularly meet with their children and talk about both their agenda planner and any notes they have taken in class. Parents may also visit/contact our Parent Center in order to participate in our Parent Leadership Academy and parent learning walks. We have parent nights and Coffee with the Principal once each month (currently virtual) where we share how parents may monitor their child's academic progress and discuss other topics of interest. All students have an agenda planner to record what they are learning in their classes and the assignments they need to complete. In addition, all students use the same note-taking format (Cornell Notes), which can easily be reviewed to understand the key concepts of many classes. Parents may review the planner to see what activities their child has completed during school each day. Regular announcements are made by the site Family and Community Engagement Specialist to parents via phone and e-mail to inform parents of additional involvement opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

| Rate | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|-------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 4.7 | 0.0 | 4.8 | 3.1 | 3.5 | 3.5 |
| Expulsions | 0.0 | 0.0 | 0.0 | 0.0 | 0.1 | 0.1 |

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | .22 | 1.83 | |
| Expulsions | 0 | .003 | |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff, students, and community resource groups along with the School Site Council in order to determine any needed changes. The Orangeview Junior High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills.

The Safety Plan was updated at the beginning of the 2019-2020 school year and submitted on 10/11/19. It is annually reviewed by the School Safety Team which met monthly before school dismissal in March 2020, however, this year has been focused on the COVID-19 School Site Protective Plan. Input is gathered by staff, students, and the School Site Council for the School Safety Plan. Staff PD time is utilized to review the plan and new changes that have occurred during the first quarter. The last California Shakeout and evacuation drill took place on October 17, 2019, but not since school dismissal in March. All students receive evacuation and lock down safety procedures during their advisement period. Each classroom is equipped emergency evacuation backpacks and folders with class rosters.

Types of Services Funded (Fiscal Year 2019-2020)

Through funding from state and federal categorical programs, such as Title I and LCFF, Orangeview Junior High School offers several support services for our students. Some of these include, but are not limited to after-school homework assistance, Saturday Academy, parent conferences, and Anaheim Achieves after-school program. Orangeview also funds portions of Puente and AVID/AVID EXCEL in order to ensure the success of all students in being both college and career ready. The position of Family and Community Engagement Specialist is used to increase knowledge of parental involvement opportunities and form partnerships with the local community. In addition, we fund one teacher to serve students in mathematics, half the salary of a Lesson Design Coach to support professional development of staff and implementation of instructional strategies, and a bilingual instructional aid to support our beginning English language learners. Additional technology was purchased to enhance students' educational opportunities to access curriculum.

|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 4 | 4 | 4 |

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Orangeview Junior High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
